League Scoring

- January 1 – April 10 – must complete at least 5 shoots with at least 4 shooters on the team
- Can shoot multiple rounds on any date
- Scoring (see example next page)
 - A. Determine # of hits for round 1 (regular)
 - B. Determine # of hits for round 2 (doubles)
 - C. Add two scores for total for shoot
 - D. Identify and record scores for prior 2 shoots
 - E. Determine average of 3 scores – current shoot + prior 2 shoots
 - F. Reference handicapping table to determine class and handicap score
 - G. Add each individual handicap score (4 highest scores of the 5 shooters) for team score
 - H. Add team score to team score of best prior 4 shoots – this is the team cumulative
- Scoring is recorded on scoring sheet – remove strip on the back of the sheet and stick to scoring bulletin

League Scoring (Example Score Sheet – see steps on previous page)

In this example:

- This is the 14th event for this team of 5 shooters.
- Shooter 1 had two 25 point rounds with a 50 point total – these should be highlighted with red ink.
- Shooter 4 had lowest score of 5 players and their score is eliminated. When there are 4 shooters keep all 4 scores.
